Resisting giving into my weakness  
I have to connect with something real  
I reach out for you I know this is the first step  
Of being free from the chains that bound me

(Pre-chorus:)

I look to you for strength I look to you for freedom  
For you are the only one who has the truth  
I may have wonder off but I'm coming back running  
I look to you to be my everything

(Chorus:)

I am weak when it comes to changing  
You are strong when it comes to anything  
Break me, crush me to submit to you  
Take me, hush me to hear you  
You hold what i need to escape it all

Forgetting all that you've shown me  
It's lost in the mist of my empty thoughts  
I need a refreshment of what you've done for me  
I need to open my eyes to see you

(Pre-chorus)

(Chorus)

So far way  
Fall down, I pray  
Hold me always  
All of my days

So far away from everything you are  
Fall down, I pray move me do your worst  
Hold me always I want to stay with you  
All of my days you'll bring me through

(Chorus)

(Pre-chorus)

(Chorus)
