I can't remember when I turned around
Late in November leaves fell to the ground
I fell to the ground
I guess you've forgotten all the love I had for you
We must of got caught in everything that wasn't true
My life wasn't true

(Chorus:)

Will I ever be the same again?
Will I ever see that way again
Can I ever get out of this addictive sin?
Will I ever be loved again?

I've fallen in too deep into the things you wrote
I long just to hear you speak I got lost in the things
you've spoke
I remember the things you've spoke

Why couldn't you see everything I felt for you?
It's so hard to breath knowing you're far gone
I tried to see what was deep inside of you
I can't stay here. You're gone.

(Chorus 2x)
