Conversation ooo
Deconstruction ooo
Showers me in your introspection

Insurrection ooo
No protection ooo
I try to hide my erection and said
1
2
1, 2, I know kung fu

I know kung fu
I know kung fu
I have superior interior to you
And you and you and you and you
And all of you and all of you

They only read
Between the lines
But they can read you
They watch what you do
And they'll let you know when you're not being used
Boo hoo
1
2
1, 2, now you know what to do

I know kung fu
I know kung fu
I have superior interior to you
And you and you and you and you
And all of you and all of you

I know kung fu
I know kung fu
I have superior interior to you
And you and you and you and you
And all of you and all of you
