They all said she's just another groupie slut
I said I thought you were anything but, think again
Sometimes reputations out live their applications
Sometimes fires don't go out when you're done playing
with them
I feel so funny deep inside when you kiss me goodbye

Sugar high

We can go out and not even leave the house
A TV set and a bottle of wine is just fine
Making out on that old pull-out couch
Watching Saturday Night Live, I guess that's why
I feel so funny deep inside when I lick between your
thighs

Sugar high

I have searched both far and wide
And I've explored the deepest caverns of my mind
To try and find an explanation why
I get this funny feeling deep inside
When you kiss me goodbye and when I lick between
your thighs

Sugar high
