and when people step out this redline ,
i will never let them to go ,
never laugh cos this is the dead end ,
it is my end for its start to go ,

and when people step out this redline ,
means no other place need to go ,
let the future past in the mean time ,
and the great night kill all alone ,

it was u .. call me and told me ,
help me up and shine up my life ,
it was u .. call me again till lonely aaaa ,
it was u .. call me and told me ,
blur my eyes and tell me to do ,
is was u told me the lies i always spoke ,

and when people step out this redline ,
i will never let them to go ,
never laugh cos this is the dead end ,
it is my end for its start to go ,

and when people step out this redline ,
means no other place need to go ,
let the future past in the mean time ,

and the great night kill all alone ,

it was u .. call me and told me ,
help me up and shine up my life ,
it was u .. call me again till lonely aaaaa ,
it was u .. call me and told me ,
help me up and shine up my life ,
is was u told me the lies i always spoke ,

it was u .. call me and told me ,
help me up and shine up my life ,
it was u .. call me again till lonely aaaaa ,
it was u .. call me and told me ,
blur my eyes and tell me to do ,
it was u .. told me the lies i always do .
