Ah, the sun is out, birds are chirpin', husbands are hugging their wives. Looks like a beautiful day to die to me. I got some brothers to help me. Talk about crucifying the flesh.

Take up that cross and
Wake up in the morning - pistolwhip myself
Watch my flesh, layin' on the floor
Screamin out for help (no can do!)
You got no rule over me
Romans chapter 6, Luke 9:23
I love the Lord to much to gratify my sinful flesh
Cuz man I'm far from perfect
But I'm close to fresh
Flesh wants to scrimmage, he just lost one
Satan mad at the concert cuz he just lost some
We toss the seas through music
And pray the Lord increase
Then celebrate with our music
Cuz our flesh deceased
But I know with every moment
It's back to risin' up
So I stay packed with the Sword
Ready to knife em' up
And I ain't playin, little homie
I hate you in every bone
I'm circumcized heart
?? Smooth stones
Who you trying to challenge like you the monster?
Can't wait till your sentenced to death
Period. To end the drama

Cuz today is a good day to die
(now wanta flesh akeep on burnin')
Bare your crosses each day when you rise
(You know the world akeep on turnin)
For my God left the grave; He is alive
(So make a flesh sacrifice)
And for his pain, oh ourselves we deny
(less of we more of The King)

No, No, No, No, No

No, No, No, No, No
Ay Ay Ay-Ay Ay (x2)
Spent my whole life stackin' up chips, yeah.
Worked my whole life just to get rich, yeah.
Dad will be happy if I build the Kingdom
Confused cuz I just lost one.
Everything is vanity - the sun sheds light
Where the wind blows - you can't see with the eye
So why try to catch what you can't even hold?
Rivers flow to the sea, but it's not full
Frowns crash down, Joy is only from You
No more plastic? Lord, I only want You
Earth is not Heaven
Cry now - laugh later
There's nothing here to save us
Cuz life is but a vapor

Cuz today is a good day to die
(now wanta flesh akeep on burnin')
Bare your crosses each day when you rise
(You know the world akeep on turnin')
For my God left the grave, He is alive
(So make a flesh sacrifice)
And for his pain, oh ourselves we deny
(less of we more of The King)
*Only a few lyrics I'm not sure of, but it took me
FOREVER to figure out the chorus. And it drove me nuts
that you can't find the lyrics anywhere. So I posted
them.
