I'm the bonecracker, I'm the bonecracker,
I'm gonna come from behind im the back atackka
I'm the bonecracker, I'm the bonecracker,
I'm gonna get in your mind and you'll find ill unwrap ya

sraight in your face im like mace
when you cry, you'll need a backbrace
the day that defines you
unwind you'll find that I'm lethal
I will give the beat to you in a hand-drill.

Inside, your mind,
inside your mind,
get in, get in,
come on get in,
get in, get in,
come on get in.

Get to the side 'cause I'm the bonecracker,
I'm gonna come from behind im the back attacka,
rock and a ryhme and I start with the basement,
down to your feet and it aint 'cause you're wet,
the crack in the back and the cruisers of the night
strip the pipe at the bull-tip right to the bull-bed.

Inside, your mind,
inside, your mind,
inside, your mind,
inside, your mind.

Get in, get in,
come on get in,
get it in, get in,
come on get in.

I'm the bonecracker, I'm the bonecracker,
I'm gonna come from behind im the back attacka,
I'll track you back you track you so you track me,
drop down for the bonecrack 1-2-3!

Inside, your mind,
inside, your mind,

inside, your mind,
inside, your mind,
inside, inside,
inside your mind.

I'm the boncracker,
I'm the boncracker,
I'm the boncracker.

get in, get in,
come on get in.
