Never I'd see
You turn your back on me
Turn around and walk way
Blame it all me

I never thought I'd see the day
You'd turn your back and go
End the day
Let it end this way

And I never thought I'd see
That empty look in your eye
When you look at me
Regret is all I see

I never thought I'd see the day
Never thought it would end this way

She looks over me now
I just know it somehow
Do you feel her too
Like the way I do

Do you ever wonder she thinks
Of what you are doing right now
Do you ever wonder she'd say
If she could speak to you now

She'd make you come to me
She'd make you see
She didn't raise you that way
I'd bet she'd sigh and say

I never thought I'd see the day
Never thought it would end this way

Now I'm walkin, I'm talkin', I'm gasping for air
I'm cryin', I'm diein', cuz you just don't care
The way that things are, they just shouldn't be
You've made your mind up, you've essentially
Made a clear choice, and you didn't choose me

I never thought I'd see the day
Never thought it would end this way
