So amazing, that I could fly
So amazing, that I could fly

So you said you wanted to stay
For some time i've just been alone
Boy I felt what you said to me was real
I was afraid of letting go
Don't you know don't you know
But know I can let go
And let you look me in the eye
Boy I wanna give my heart to you
So I'm gonna try

It feels so good that I could fly
Away with you forever
Amazing love with you and I
A love so real that I could treasure

Boy you complete me
I'm feelin' it more with everyday
Oh baby how you captivate me
I wanna run away with you, you

Your love is so special
Boy you know it turns me around
I'll be there for you
If you're there for me too
I get so weak, yeah

It feels so good that I could fly
Away with you forever
Amazing love with you and I
A love so real that I could treasure

It feels so good that I could fly
Away with you forever
Amazing love with you and I
A love so real that I could treasure

Dynamite rap

It feels so good that I could fly

Away with you forever
Amazing love with you and I
A love so real that I could treasure
