If you believe and I believe
A little love is all we need
Erase your fear and lose your doubt
The world of love will work it out

If you believe and I believe
A little love is all we need
Erase your fear and loose your doubt
The world of love will work it out

Never thought I'd feel
Something so unreal
Got me going crazy over you
Itchin just to steal
Just a kiss or two
Deliver me a piece of you
You

If you believe and I believe
A little love is all we need
If you believe
Erase your fear and lose your doubt
The world of love will work it out
Like I believe

If you believe and I believe
A little love is all we need
A little love is all we need
Erase your fear and lose your doubt
The world of love will work it out

What a lovely affair
Just a lovely affair
What a lovely affair
Just a lovely affair

What a lovely affair
Just a lovely affair
What a lovely affair
Just a lovely affair

Watchin over you

Just like angels do
Holding on for dear life
To my precious jewel

A promise meant to be
A love I will envy
Because it's cool
My love affair with you

If you believe and I believe
A little love is all we need
Love is all we need
Erase your fear and loose your doubt
The world of love will work it out

If you believe and I believe
A little love is all we need
Erase your fear and loose your doubt
The world of love will work it out

What a lovely affair
Nothing can compare
Just a lovely affair
What a lovely affair
Ooohhh
Just a lovely affair

What a lovely affair
Just a lovely affair
What a lovely affair
Just a lovely affair

Loves gonna work it out
Loves gonna work it out
Loves gonna work it out now
Loves gonna work it out
Loves gonna work it out
Love is such an easy thing
Loves gonna work it out
Loves gonna work it out
Gives you such a good feeling
Loves gonna work it out
Loves gonna work it out
Oooohhhhhh
What a lovely affair
What a lovely affair
Just a lovely affair
Feels so good so good so good
What a lovely affair
Just a lovely affair
What a lovely lovely affair

What a love what a love what a love affair
A lovely affair
What a lovely lovely affair
What a love what a love what a love affair
Feel so good
What a lovely lovely affair
What a love what a love what a love affair
