ohhhh  
ohhh u got to hold on me  
(ohh girl feel so right)ohh yeah

Slowly i've fallen in love  
without realising what it was  
now that i know  
im fascinated  
all of u is not enough  
id never be lonely again  
now that i have u in my arms  
i can see clearly now  
the rain has gone  
u r sent from up above

ure an elation  
sweet revelation  
and in your eyes i see my future  
ure all im thinking of

{CHORUS}  
u got a hold on me  
u know i need u in my life  
u put a spell on me  
u know i never felt so right  
ure sent from heaven  
u r like an angel to me  
my heart is dancing to the sweetest sym4ny

{Danny K}  
u lit a claim on my heart  
like no one ever dared before  
perfect vision of tomorrow  
yesterday is far behind  
subsantly from yell

i almost lost my mind  
now that i found u girl  
i promise i wont let u run my side

i feel a sensation a fascination  
im caught up in the rapture

i just cant believe ur mine

{CHORUS}

Just leave ur cares behind(x2)  
spread ure wings across the sky  
i know a place there is paradise  
let me take u there  
ur my everything the answer to my prayers

ohh uuuuu

u know i need (x2)u in my life (oooh girl)  
now that i have u in my arms  
loving now and tomorrow(x2)

{CHORUS}

till the end
