(Need Somebody)
When somebody reaches for your heart
Open up and let them through
Cause everybody needs someone around
Things can tumble down on you
You'll discover when you look around
You don't have to be alone
Just one lover is all you need to know
When you're feeling all alone
Oh, you might need somebody
You might need somebody too
(You might need somebody too)
You might need somebody
You might need somebody too
(You might need somebody too)
Yeah yeah
Ohhhh
Baby baby
If there's fire stiring in your heart
And you're sure its strong and right

Keep it burning through the cold and dark
It can warm the lonely nights
Oh, You might need somebody
You might need somebody too
(You might need somebody too)
You might need somebody
You might need somebody too
(You might need somebody too)
Oh, you might need somebody too
(Need somebody)
Yeah
Oh, you're gonna need somebody too
(Need somebody)
Yeah yeah
You might need somebody too, baby
(Need somebody)
Oh I do
Oooh, I know I do
Need somebody too...
