(Ad lib)

Boy, I just wanna be  
Your everything  
I'll do anything for You  
All you gotta do is just let go  
And we can flow  
I know that you've been hurt before  
But I can't get with you  
If you close the door  
The night I gave my love to you  
Was about what I felt  
In my heart for you  
You're the one I love  
So don't even trip  
I will never creep  
Like the others did  
You're the one I love

Baby, it's like that I will never stop  
'Cause I know what I got  
You make me wanna give  
It all to you  
And keep it real. for true  
I know that you see  
We have so much  
So baby. trust  
(\* Repeat with ad lib)  
(\*\* Repeat 2 times with ad lib)  
You're the one  
You're the one I love  
You're the one  
And keep it real  
Baby, you're the one -  
(\* Repeat 3 times with ad lib)
