Oh, oh
Oh, baby
Oh, oh

Baby, please hold on
It took a minute but I'm here now
I can see it in your eyes
I can feel it
You're fadin fast
It's been gettin really bad
Really bad for a while now
To be honest
I ain't sure if you're gonna last
Love's gone, flat line
Your touch turns cold (turns cold)
Am I losing you, baby
Don't let it go
Are you still wit me?
Tell me now
Need you to hear me
Cuz I ain't goin nowhere

[Chorus]
I'm pleadin wit your heart (hey)
Don't ya give up on me
Neva give up on me
Tell me that you still beat for me
Promise your love won't die on me, see (don't die on me)
I'm pleadin wit your heart (hey)
Neva give up on me (don't you ever give up on me)
Don't ya give up on me (neva give up on me)
Promise your heart still beats for me, see (see, it still beats for me)
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (oh)
Don't ya give up on me

I know it ain't lookin good
But I'll Find a way somehow(diagnosed with a broken

heart)
I let you down
I know I caused you so many tears
Oh, so long
How can I see you now
With my love, a love so strong
Love could do anything baby girl, hold on
Before you leave me here
Let me show you I'm sincere

[Chorus]

Neva give up on love
Neva give up on love
Neva give up on love
Neva give up, neva, I'll neva, hey
Neva give up on love ("let me see your lighters in the
air")
Neva give up on love
Neva give up on love ("Put em up for the one you love")
Neva, I'll neva
I'll neva give up on love

[Chorus]

(I, I'm beggin you)
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (oh)
Don't ya give up on me
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (I, I'm beggin you)
I'm pleadin wit your heart (oh)
