Yeah  
Hey hey hey  
Hey hey hey  
Hey hey hey

We've been deep in the trenches  
Ain't that friendship  
If i don't weigh's roses (but)  
Everybody knows this  
We stuck in this battle field  
I know just how you feel  
Standin' up for us (yeah)  
I'ma be a soldier

You give me hope (hope)  
You give me strenght (strenght)  
I'd give you better  
Than i could give myself  
Always know that (that)  
I got your back (your back)  
Don't matter wherever  
As long as were together  
We've been through too much

We've been through too much  
Time for us to group up  
Come on and let's dance up now for us  
This is our battle cry  
Promise you that i'm certified  
All we gotta do is dance up now for us  
This is our battle cry

Hey hey hey  
Hey hey hey (yeah)  
Hey hey hey  
This is our battle cry

It's so hard when the night falls  
And i don't get your phone calls  
Your everything to me  
You heal me when these bullets go through me

And if i had to retry  
I know you'll fall back with me  
And if you got problems  
You already know whose going to solve 'em

[Battel Cry Lyrics On ]

You give me hope (hope)  
You give me strenght (strenght)  
I'd give you better  
Better than i could give myself  
Always know that (that)  
I got your back (your back)  
Don't matter wherever  
Because we'll always be together

We've been through too much  
Time for us to group up  
Come on and let's dance up now for us  
Standing up for us  
This is our battle cry  
Promise you that i'm certified  
All we gotta do is dance up now for us  
This is our battle cry

I aint saying nothing man  
You already know this  
So well call this a flow this  
And if you need to swear  
I'ma bring a boatless foatess  
Now i don't need to sound so manotnis  
If you need something from me  
Call me i got this  
And i dont give you need from me  
And i'ma be right there when i need to be
