Worldwide, hear what me bring
Selecta inside, turn up the ting
Make we feel all right
You have the key so give it to we
And make we get hype well
All night take it to dem
And blaze it up right
Show what you got
Cuz you well qualified
And you keep we alive
Make the dancehall a spin
When Shontelle a sing

Please drop the needle and play the record all night
I don't give a damn if you play it til the sunlight
People gettin crazy, sexy, wild in the moonlight
So please the drop needle now
Cuz the beat is so tight

No way to stop it
This record's hot
You know you wanna go and cop it
You got a minute
Go for a ride
Come on let's take it to the limit

The way you throw it
Don't you know what you're doin to me
Takin the temperature higher
Make it harder to breathe
Can't you see my
Body's burnin up
Your music's the remedy
Selecta set this place on fire, drop the beat

Please drop the needle and play the record all night
I don't give a damn if you play it til the sunlight
People gettin crazy, sexy, wild in the moonlight
So please the drop needle now
Cuz the beat is so tight

Round, round, spin it round

Drop the needle put it down
Round, round, spin it round
Drop the needle put it down

The floor is spinnin
Don't try to shut us down
This shit is just beginnin
Just catch the feelin
It won't be long until
You're dancin on the ceiling

The way you throw it
Don't you know what you're doin to me
Takin the temperature higher
Make it harder to breathe
Can't you see my
Body's burnin up
Your music's the remedy
Selecta set this play on fire, drop the beat

Please drop the needle and play the record all night
I don't give a damn if you play it til the sunlight
People gettin crazy, sexy, wild in the moonlight
So please the drop needle now
Cuz the beat is so tight

Throw ya hands right up inna de air
Make the DJ know that you don't wanna go now
Turn the bass up louder
And make we wine and go round and take we down low
now
Bring we back right up to the top
Ya know we don't stop cuz we so fulla hype now
There's no way now to cool we down
Til the mornin light what me want you do right now

Wave it, wave it, wave it round
Wave it, wave it, wave it round
Wine it, wine it, wine it down
Wine it, wine it, wine it down
Wave it, wave it, wave it round
Wave it, wave it, wave it round
Wine it, wine it, wine it down
Wine it, wine it...Fiyah!

Please drop the needle and play the record all night
I don't give a damn if you play it til the sunlight
People gettin crazy, sexy, wild in the moonlight
So please the drop needle now
Cuz the beat is so tight

Round, round, spin it round
Drop the needle put it down
Round, round, spin it round
Drop the needle put it down
Round, round, spin it round
Drop the needle put it down
Round, round, spin it round
Drop the needle put it down
