Carry me home away from all these things  
That keep deceiving me  
I'm all alone nowhere no one  
To show me where to go  
Take my money wear my shirt  
Using me to do your dirt  
Judging me when all the time  
You're the one that did the crime  
Someone tell me what's the truth  
Save the children, save the youth  
What about our hopes and dreams  
You're not what you really seem oh

{Chorus}

Nation of the plastic people  
Here's the church and here's it's people  
Preaching good and doing evil  
Trying to treat you less than equal  
Saying this and meaning that  
Twisting up into your back  
Don't be cast into the sequel  
Living in a nation of plastic people (plastic people)

{Verse 2}

You're just like a rose I wanna grow  
So I can serve my purpose here  
I wanna fly before I die  
Be like a bird and touch the sky  
Take my home, and take my name  
Generation cellophane  
There's no difference all the same  
I don't know when I'm ashamed  
Can you walk inside my shoes?  
Don't be mad if I refuse  
Artificial attributes,  
Different leaders same old news

{Chorus}

{Verse 3}

What do you know,  
It's a situation begging for salvation

Looking to the sky to answer to all my frustration  
There's a choice I'm making  
And there's a chance I'll take it  
It's the only life I got to live so I can't fake it  
Yeeaahhh  
Ohhhh

Generation.  
Desperaton.  
Demonstration.  
Provocation.  
Population.  
Segregation.  
Isolation.  
Suffocation.  
Degradation.  
Desolation.  
Living in a plastic nation.

{Chorus}

Generation.  
Desperaton.  
Demonstration.  
Provocation.  
Population.  
Segregation.  
Isolation.  
Suffocation.  
Destination of the nation.  
Generation.  
Desolation.  
Living in a plastic nation.  
Living in a plastic nation.
