Oh oo oh oo oh oh
Oh oo oh oo oh oh
Oh oo oh oo oh oh
Oh oo oh oo oh oh

When I, was young, and the light, had only begun;
To shine, down on me, I've been blind, now I've started
to see

I don't have to be right
There's no power in empty passion
Lots it takes for the fight
Find the strength to be out of passion
Everybody knows me
You're the one who won't hear my story
Give it to ya for free
You're the man who won't share my glory

Sing it out
Play it out
For the first time these words are spoken
Meet some thin
So I can love again
Shout it out
Turn around
Tell the whole world the spell is broken
Break these chains
I'm only human

Oh oo oh oo oh oh
No superwoman
Oh oo oh oo oh oh
I'm only human
(Repeat)

When I show, my true face, give me faith, so I'm not
afraid
To take, what you give, when and then, I'm starting to
live

I don't have to be right
There's no power in empty passion

Lots it takes for the fight
Find the strength to be out of passion
Everybody knows me
You're the one who won't hear my story
Give it to ya for free
You're the man who won't share my glory

Sing it out
Play it out
For the first time these words are spoken
Meet some thin
So I can love again
Shout it out
Turn around
Tell the whole world the spell is broken
Break these chains
I'm only human

Oh oo oh oo oh oh
No superwoman
Oh oo oh oo oh oh
I'm only human
(Repeat)

And your eyes, when they turn, as they stare, and they
burn, but they don't see me
It was geared, and too much, then you started to touch,
my amenities.

Sing it out
Play it out
For the first time these words are spoken
Meet some thin
So I can love again
Shout it out
Turn around
Tell the whole world the spell is broken
Break these chains
I'm only human
(Repeat)
