[Verse 1:]

They call us bullies because
We taking over this club
We gonna stick to our guns
They ain't no stopping this rush
Rush, eh eh

Cause I'm a dance floor vixen tonight I'm going no
return
Assume the position, you gonna have to step in the line
You're time tick-ticking like a bomb
Ain't going now because

[Chorus:]

I came to party with my girls
We came to take ova the dance floor (eh eh)
So when you see us in the doorway, step aside
Ain't got a care in the world
Get ready for the take ova,
Ready for the take ova
Get ready for the take ova,
Ready for the take ova
See us in the doorway, step aside
Ain't got a care in the world, eh eh eh eh

[Verse 2:]

Adrenaline running strong, another sip i'll be gone
Hey DJ, turn up my song If you trying to turn me on, on,
eh, eh
Cause I'm a dance floor vixen tonight I'm going no
return
Assume the position, you gonna have to step in the line
You're time tick-ticking like a bomb
Ain't going now because

[Chorus:]

I came to party with my girls
We came to take ova the dance floor (eh eh)
So when you see us in the doorway, step aside
Ain't got a care in the world
Get ready for the take ova,
Ready for the take ova

Get ready for the take ova,
Ready for the take ova
See us in the doorway, step aside
Ain't got a care in the world, eh eh eh eh

Nothing's gonna hold us back from the music
The DJ and the dance floor
Cause it's all that we needed tonight

[Pitbull:]
Darkchild, Mr.WorldWide, Shontelle
Oye mamita, ya tu sabe

We could go anywhere, all guys on God's green
Just pick a spot
You could bring all your girls
I'mma bring all my friends
We can play around the world
Until, until the night ends
Pick up in the morning, no
More like the afternoon, yeah
And baby we gonna do what? we gonna do what? baby
we gonna do it again

[Chorus] (2x)
I came to party with my girls
We came to take ova the dance floor (eh eh)
So when you see us in the doorway, step aside
Ain't got a care in the world (care in the world)
Get ready for the take ova,
Ready for the take ova
Get ready for the take ova,
Ready for the take ova
See us in the doorway, step aside
Ain't got a care in the world, eh eh eh eh
