Come touch me baby, I just wanna please you tonight
oh
Don't keep me waiting only you can bring me to life
I need you, I want you tonight

Ohh ohh ohh, I need you I want you tonight
Ohh ohh ohh, I need you, I need you, I want you tonight

Come touch me baby, I just wanna please you tonight
oh
Don't keep me waiting only you can bring me to life
I need you, I want you tonight

Ohh ohh ohh, I need you I want you tonight
Ohh ohh ohh, I need you, I need you, I want you tonight

Come touch me baby, I just wanna please you tonight
oh
Don't keep me waiting only you can bring me to life
I need you, I want you tonight

Ohh ohh ohh, I need you I want you tonight
Ohh ohh ohh, I need you, I need you, I want you tonight
Ohh ohh ohh, I need you, I need you, I want you tonight
