You can - think you can get free, you think you won't
need me
That you're gonna get you somethin better,
But you know that we're in this forever,
And you can - think you can walk out, even with your
doubts,
But you know that we're in this together,
You can try to push me from you, nothing you do will
keep us a part.

Cause it's too late, there's no escape, might as well
face it,
Baby, we're stuck with each other (stuck with each
other) - ain't nothin you can do about it,
It's been too long, it's been too strong - cause we
belong here,
Baby, we're stuck with each other (stuck with each
other)
- stuck in love with each other (stuck in love with each
other)

Now I can say that I would not care, if you were not
there,
Tell myself that I'll be fine without ya, but I would die if I
was not around ya,
And I can try to convince you I don't need to be with
you,
But my only thoughts are thoughts about ya,
What can I do, love is like glue. there's no way to... tear
us a part.

Cause it's too late, there's no escape, might as well
face it,
Baby, we're stuck with each other (stuck with each
other) - ain't nothin I can do about it,
It's been too long, it's been too strong - yes, we belong
here,
Baby, we're stuck with each other (stuck with each
other)
- stuck in love with each other (stuck in love with each
other)

There's nothing I'd rather do, than to sit with you
forever -
Can't think of nothin better than to be stuck with you.

Cause it's too late, there's no escape, might as well
face it,
Baby, we're stuck with each other (stuck with each
other) - ain't nothin we can do about it
Cause it's too late, there's no escape, might as well
face it,
Baby, we're stuck with each other (stuck with each
other) - ain't nothin I can do about it
It's been too long, it's been too strong - yes, we belong
here,
Baby, we're stuck with each other (stuck with each
other)
- stuck in love with each other (stuck in love with each
other)

Cause it's too late, there's no escape, might as well
face it,
Baby, we're stuck with each other (stuck with each
other) - ain't nothin we can do about it
It's been too long, it's been too strong - yes, we belong
here,
Baby, we're stuck with each other (stuck with each
other)
- stuck in love with each other (stuck in love with each
other)

Ain't nothin gonna stop me and you (eh)
Cause you know we just stuck like glue (eh)
Ain't nothin we can do, we stuck in love with each other.
