Hey, ohh, let me tell you no.
Oh baby.
Trying to decide, trying to decide if I, really wanna go
out tonight.
I never use to go out without you, I'm not sure I
remember how to.
I'm gonna be late gonna be late but, all my girls gonna
have to wait cause, I don't know if I like my outfit.
I tried everything in my closet.

Nothing feels right when I'm not with you, sick of this
dress and these Jimmy Choos.
Taking them off cause I feel a fool, trying to dress up
when I'm missing you.
I'ma step out of this lingerie, curl up in a ball with
something Hanes.
In that I lay, with nothing but your t-shirt on.
Oh, with nothing but your t-shirt on.

Hey, gotta be strong gotta be strong but I'm, really
hurting now that you're gone.
I thought maybe I'd do some shopping, but I didn't get
past the door and, now I don't know now I don't know if
I'm, ever really gonna let you go and I, couldn't even
leave my apartment.
I'm stripped down torn up about it.

Trying to decide, trying to decide if I, really wanna go
out tonight.
I couldn't even leave my apartment, I'm stripped down
torn up about it.

Nothing feels right when I'm not with you, sick of this
dress and these jimmy choos.
Taking them off cause I feel a fool, trying to dress up
when I'm missing you.
I'ma step out of this lingerie, curl up in a ball with

In that I lay.
