the dying day paints a portrait of sadness upon this
lonely LA tier now ive found a home in this prison of my
own trapt in a
boarder line career but there she sits in a store on 13th
street walking a boarder line of her own is she ever
gonna know the
way that i see her when she walks into a room and im
not exactly happy about all of the things that ive done
ive made some
mistakes and i know that im young and im sorry if ive
hurt anyone but of all the things im proud of and the
places ive found
in the sun the way i find myself loving her is the best
thing ive ever done God knows its hard to let someone
new in when
youre still looking for a sign and the harder it sits the
older i get but the taste is as sweet as wine so come
with me skate
across the dance floor as i sing my song for you but if
you let go i want you to know that im saving my dance
for you and i
know i climbed some mountains i probably never
should have climbed i feel ive fallen farther and hit
bottom harder than any
man with reason or rhyme but if i had a way to show
her how deep my heartache runs and the way i find
myself loving her is
the best thing ive ever done and if anyone would have
told me that i would ever love anyone this way i
probably never would
have listened but now im here and i have to say that
you only make me stronger ive never been more
pround of anyone and the
way i find myself loving you is the best thing ive ever
done
