My love, tell me what it's all about You've got something, that I can't live without Happiness, is so hard to find Hey baby, tell me what is on your mind

Coz I can't wait (baby I can't wait) Till you call me on the telephone I can't wait (baby I can't wait) Till we're all alone I can't wait

You know I love you even when you don't try I know that our love will never die Hey darling, when you look into my eye Please tell me you'll never have to say goodbye

Coz I can't wait (baby I can't wait) This is what I've been waiting for I can't wait (baby I can't wait) Till my love walked in the door I can't wait (baby I can't wait) True love is so hard to find I found yours, you found mine I can't wait (baby I can't wait) Tell me what is on your mind I can't wait
