(Spoken)

It's been a long night
The tears drain in the spirits of the damned
Blood is ready to spill
Crying makes you I'll
Faithful scoundrels
Forget out of bounds
Get these on
Riot Sounds

(Sung)

Are you ready to?
Are you ready to?
Are you ready to rock?

Well, I'm screaming
Got a disease where it hurts
Shout for this
Never in da abyss
Forgetting you suck
Haha
No one understands that

I am ready to rock

Are you ready to?
Are you ready to?
Are you ready to rock?

Earshot
Blasted blood
In the shots of darkness
No one cares
If ur in shock
The truth is baby,
We're ready to rock!

Are you ready to?
Are you ready to?
Are you ready to rock?

Hahahahahahahahaha

ARE YOU READY TO ROCK?

(Spoken)

This must end

Now

This must end

Somehow

You must kill

Now
