The stars won't come out  
If they know that you're about  
Cause they couldn't match the glow of your eyes  
And, oh, who am I?  
Just an ordinary guy  
Trying hard to win me first prize  
Oh my Candida  
We could make it together  
The further from here girl the better  
Where the air is fresh and clean  
Oh my Candida  
Just take my hand and I'll lead ya  
I promise that life will be sweeter  
'Cause it said so in my dreams  
The future looks bright  
The gypsy told me so last night  
Said she saw our children playing in the sunshine  
And there were you and I  
In a house, Baby  
No lie  
And all these things were yours  
And they were mine  
Oh my Candida  
We could make it together  
The further from here girl the better  
Where the air is fresh and clean  
Oh my Candida  
Just take my hand and I'll lead ya  
I promise that life will be sweeter  
'Cause it said so in my dreams  
Oh my Candida  
We could make it together  
The further from here girl the better  
Where the air is fresh and clean  
Oh my Candida  
Just take my hand and I'll lead ya  
I promise that life will be sweeter  
'Cause it said so in my dreams
