woaaah
woaaaaaaaaaaaaah
woaaaaaah
woaah

come and lay down
relax
lemme show you what i do
make you feel good
react
just as if i were you
cause i can make you see
the heavans
using nothing but my hands
if you wanna do me
lift my booty
maybe take off my pants yeah

what does a real man do for his lady
anything that he can
if you do it right
at the end of the night
you can be my number one fan(ooh)tasy
you can be my number one fan(fan)tasy
you gon be my number one fantasy

you gon be my number one fan(fan)tasy
Baby, you can be my number one fantasy

Common
lets do what we always do
flip over
throw it back
imma throw it all to you
baby i can feel your love comming down
so i know im doing a good job
imma lay down
relax
come over here and get on top
imma show you what i can do for my baby
make her feel like she flying

flip over again and lets do it one more time
cause

you gon be my number one fantasy (baby)
you gon be my number one fantasy (oooh)
you gon be my number one fantasy
baby, you gon be my number one fantasy
you gon be my number one fan(fan)tasy
you gon be my number one fantasy
you gon be my number one
