MAD GAME

By T. Diaz, C. Luna and M. Galan

Stanza 1:

Lock me up with visions
Ideas turned into illusions
I'm so weary, but my mind
doesn't turn off so easily.

Stanza 2:

Fifty grams of opiate
To fetch me a little sleep
And ever have I known
slumber to be deep.

Refrain:

What will be destroyed first,
My body or my mind?

Chorus:

I am in this mad game of life (2x)
Is this the mad game of life?
I am in this mad game of life.

Stanza 3:

Thou enjoy this passion
For conflict called evil
I say no, for to compromise
These virtues left to you.

Coda:

Leave's not been to tow (2x)
I pray, let your passion grow (2x)

(Repeat Chorus)
