Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box

The Giant is greater so step back
I know you were told black about the Soul Clap
And I'ma keep climbin' G with beats that's fat
'Cause that's Showbiz and Diamond D

Don't believe all the hearsay
'Cause I'ma get the airplay
While the fans say, "Yeah, Dre"
And I'm on the lyrical tip

For you to whip the Giant
That'll be a miracle whip
So everybody crowd around
And let's all get down, to the Soul Clap sound

So pump your fist, here we go
Showbiz & A.G. so act like you know
A combination of the new and the old rap
Me Showbiz and Diamond D, yeah we got the Soul Clap

Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box

Aiyyo, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, I said, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, c'mon

I love hip-hop, not rock 'n' roll
Yeah, I'm a Giant, and I got lots of soul
I've been a Giant since I was a kid
They always thought I was big from the damage that I
did

I roll up rappers like a DT and don't worry yo
Because the brothers can't see me
Light-skinned curly hair, I keep dwellin'
I don't care about my hair, my records are sellin'

A.G., my right hand man is Kay-Gee
Kenny Dope you know, Marley Marl is my little bro
Infinite he's in effect, Big Ty is snappin' necks
Better yet he's packin' tecs

Yeah, they sleep, they can't quite tell
They know that I'm short
But do they know that I fight well?
Those who diss me, that's okay

Because my jam is gonna slam
And I don't care what you say
A Giant in the mental, yeah you know that
And I'm hangin' with this new one
And it's called the Soul Clap

Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box

Aiyyo, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, I said, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, c'mon

I do work at any goddamn concert
And if you said that I didn't, then I got jerked
You musta asked the wrong people
'Cause when I make my stand
Every man knows that I'm lethal

Never back down, my crew's in the background
I get hyped when Showbiz lays the tracks down
When I'm finished, you'll say he's the mack
'Cause I'm raw and my goddamn beats are fat

Yeah, I'm a Giant, that's what you better say
You don't believe me then go check my resume
I done killed more suckers than a World War
And even more, after a world tour

From state to state, sea to sea
On every continent, I'm a G I A N T

I'm A.G. yeah the one you can't hold back
You want your party to pump?
Then throw on the Soul Clap

C'mon, can I get a Soul Clap?
C'mon, I said can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, c'mon

Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box
Just clap your hands to the beat box

Can, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon I said can I get a Soul Clap?
C'mon, can I get a Soul Clap?

C'mon, can I, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, can I, can I get a Soul Clap?
C'mon, can I get a Soul Clap?

C'mon, can I, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, can I, can I, can I get a Soul Clap?

C'mon, can I get a Soul Clap?
C'mon, I said, can I get a Soul Clap?
C'mon, can I get a Soul Clap?
C'mon, c'mon
