I won't back down [many x]
The world is my motherfucking playground homie
And I'ma never back down!

I won't back down [?x] You fucking clown

Yo, the world is mine!

I won't back down [3x] My style is everlasting I won't back down [3x] You fucking clown [2x]

Yeah
Let me talk to these people man
Uh, ay!
I know you wanna see me fall man
I know you would rather see me lose it all
But I'm a born winner, hehe

I was put on this earth to make a difference homie
The world is my playground
The birds left the cage I'm doing things my way now
Yeah
Man I'm willing to die for the cause
That's the difference between me and y'all
To be the best, you have to beat the best
I'm undefeated, my style is everlasting
And I'ma never back down, you fucking clown!
Hahaha, yeah
We win, you lose
We live, you die
The world is mine!

Yo, the world is mine!

I know you wanna see me fall man I know you would rather see me lose it all But I'm a born winner To be the best, you have to beat the best
And I'm undefeated homie, my style is everlasting
And I'ma never back down, you fucking clown!
We win, you lose
We live, you die
The world is mine!

The world is my motherfucking playground homie And I'ma never back down!

Yo, the world is mine!
