Saw your smiling eyes
Quite unexpected in this everyday place
Never thought I'd follow something so familiar
Till I felt you calling me

Heard my sisters' voices
Singing a song that I hear in my heart
Though the words are foreign I know their meaning
I knew them all along

Blood and bones and falling leaves
Earth and rain will cover me
Take up the sword
Cut down the outside walls
Tear away this outward mask
And at last join the dance

Blood and bones and falling leaves
Earth and rain will cover me
I have found my way home
I have found my way...
