bottom feeder
bottom feeder
perfect the frosting
permit me to lick the beater
bottom feeder
bottom feeder
our recipe's the same
but your ingredients are sweeter

your biggest fan
at your right hand
your master plan
my also-ran

bottom feeder
bottom feeder
you vaccinate against
my second-hand mosquito
bottom feeder
bottom feeder
i'm at a loss and out of breath
and following the leader

slave sucker second fiddle fool
slave sucker second fiddle fool
slave sucker second fiddle fool
condecending my love to you

so come on
put jesus on the guest list
i'm golden here tonight
and everything's alright
so come on
i'm shrugging off the sickness
you're swimming out of sight
and everything's alright

bottom feeder
bottom feeder
you flaunt your razor blade
i'm still a secret bleeder
