[Speaking]

Here is a Poem made by me

AHEM

That man is Bloody Red,
That other man is too,
By the way...so is the color blue

[Random Voice:

What the heck? That isn't a song!]

I know that's why I am gonna sing it you ya now.

[Singing]

That man...is so bloody
Bloody as the color red
So is that Zombie
That other man is too
The sky is blue

La La La La La...

La La La La...

That man is so bloody,
Bloody as the color red,
So is that Zombie,
That other man is too,
The sky is blue

La La La La La

[Speaking]

How was that?

[Random Voice:

...That was very stupid.]

[Singing]

La La La

And you are too!

Actually...you are
stupider than this
song

And Please don't eat Ping Pong
La La La La

Blood is Red
So are you
Blue Blue Blue

La La La La La

I don't caaaaare

[Random Voice: I'm the only
member in the audience and well...I
gotta go. Bye]

[Still Singing]
La La La

[Speaking]
Huh? Don't go!!! NOOOOOOOO!!!

[Song???? Ends with the screaming of NOOOOOOOO!!!]
