[Chorus] I come and go like a boomerang,
Set me free and I'll come back again.
To and fro like a freight train,
Stop and lend yo time again.

Verse 1

I'm dark in a place,
Stuck in outer space,
Talkin to my friends they don't know what I say.
I'm in the ocean duck divin the waves,
I'm on a mountain been climbin for days.
"The top of the world is just up the way",
Said the blind man wavin the sage.
Chapter 5, 29th page
Time ain't the only thing movin today.
I gotta go, gotta get away,
Let the sunset just set away.
On the deck tryin to catch a wave,
Some girl in a dress will say,
"Please don't leave me" [x2]

[Chorus]

Verse 2

Stop and go, is this rock and roll?
Soul brotha on the yellow brick road.

Dressed up ready to go,
With my hair messed up in some regular clothes.
Guess what, I'm strikin a pose,
You could make a statue I suppose.
Lights, camera, then I froze,
Thoughts of you and my head arose.
She loves me like a pedal on a rose,
I love alot, last pedal on the floor.
On the deck tryin to catch a wave,
Some girl in a dress will say,
"Please don't leave me" [x2]

[Chorus]

Woah oh, oh, oh, ooh

Verse 3

Believe me this time I'm leavin,
For a little bit longer than a weekend.
And when you see me I'll be rockin,
On yo tv, I know your watchin.
And I'll be thinking of you often,
Put the top down and see a rose blossom.
On the deck tryin to catch a wave,
Some girl in a dress will say,
"Please don't leave me" [x2]

[Chorus] [x2]
