I hear the whispers through the trees  
Takin' bites they keep gnawing at me  
The pain I feel it goes so deep  
Can't even cry myself to sleep  
A troubled soul that's ununited  
Every day life's just begun  
Loved ones all around me  
Yet I feel as though I'm one  
I don't wanna ride this train no more  
Tryin' to get off can't seem to find the door

Don't know where I'm going  
Don't know what I will see  
I fear that that's an answer  
That I do not want to seek  
Yet I'll have to get there  
Whichever way I turn  
I'm prayin' that I see the smoke  
Before my soul can burn  
I don't wanna ride this train no more  
Tryin' to get off can't seem to find the door
