Dragon Dragon
Lock the Dragon
Dragon Dragon
Lock the Dragon

Lock the Dragon (yeah yeah)
Dragon Dragon
Lock the Dragon
Don't you worry 'bout tomorrow

Tomorrow's gonna come and go
Don't you worry my weary Dragon...
Since tomorrow's gonna come and go

Dragon Dragon
Lock the Dragon
Dragon Druh Go

Hey hey hey hey
Lock the Dragon
Tomorrow's gonna come and go!
You're in a warm jail cell
So don't you worry 'bout tomorrow

Its...like...every other day!
So.....

Lock the Dragon (Dragon Dragon)
Hit the Dragon (Dragon Dragon)
Lock the Dragon (Dragon Dragon)
Puff is a magic dragon

Puff is a magic dragon (Dragon Dragon)
Lock Puffy the dragon (Puff Puff)
Power Power Puff Puff Puff
Dragon Druh Go

Lock Puff
Lock Puff
Lock the Dragon
Puff is a magic dragon

Yeah yeah

Raise up, Raise up
Puff Puff
Raise up, Raise up
Puff Puff Puff Puff
Lock the dragon
Lift your head Puff dear

(Raise up, Raise up) Wow wow wow
I shan't stop you
Just Raise up!
Don't you worry 'bout tomorrow, Puffy

No not the P Diddy Puffy...
I am talking about Puff the magic dragon!
So anyway...
SEE YA PUFF!
And remember...

Don't you worry 'bout tomorrow!
Bye bye Puffy
