Oh Why
Why do I feel it all start slippin' away?
Oh Why
Why should I care?
So dark...so dark

WHY IS IT SO DARK?
Oh Why
So dark, so dark
Why don't you feel it all start slippin' away?
In the darkness you'll find me...
The dark is holding me tightly
Oh Why

Woofin' all around
Oh Why
Can't find the sunlight!
Oh Why
Sun come back

COME BACK SUN!
Come back to us
Oh Why
Bring back your light!
Sun, oh why?
Oh why can't you shine?

SHINE SHINE! SHINE SO BRIGHTLY!
The moon, dark
Too dark
Too cold
THE MOON IS TO DARK!

SUN, SHINE YOU FOOL!
Oh why?
Oh why? Why, oh why?

C'mon sun...please come back
