[Singing]

Bada Boom Baby
Bada Boom Baby
Bada Boom Baby

[Singing, Rapping Style]

Watch the Boom Box
Watch everything go boom
(Can you explode that like me?)
You don't know how to
explode stuff like me

[Singing]

Yeah!
Explode stuff like me
Watch it go...
(Go Bada Boom)

[Little Kid Speaking]

When I grow up I want
to explode stuff cause I can
Bada Boom, I wanna be
cool like you! Bada Boom

[Singing, Rapping Style]

Listen Kid
You got's no skill
Everything you say
is just pathetic

[Whispering crazily]

You...
can't...
be...
like...
me...

[Little Kid Speaking]

Why not?

[Singing]

Bada Boom Baby

Bada Boom Baby
Bada Boom Baby

[Little Kid Speaking]
Answer me!

[Singing]
Bada Boom Baby
Bada Boom Baby

[Singing, Rapping Style]
Listen kid
You got no game
Only if you rap me in the
next part of this song
Don't wear a thong
to the song
Competition or I gonna kick
you! Take your pick
you disgusting creature

[Little Kid Speaking]
When will we have our
Rap Battle?

[Music Stops. Speaking]
Never kid!

[Music comes on again. Singing]
Bada Boom Baby
Bada Boom Baby
Watch that kid go boom

[Little Kid Speaking]
No! NOOOOO!!!!

[Singing with exploding sounds in background]
Bada Boom Baby
Bada Boom Baby
Bada Boom Baby

[Music Stops. Speaking]
I'm done...but I'm
never done making things
go Bada Boom!
