so - we gaze - at the shores, at our souls

thoughts - they fly - up to sky, up to him

see the writing on the wall

watch a god pretend to fall

pull the stars all down to earth

die once more an then - rebirth

all the writing on the wall

watch a god pretend to fall

pull the stars all down to earth

die again and then once more

once more - we die and greet angels keen

leave a message to the past which will read
