Surely two lovers  
Were meant to be  
To beeeeeeeeeeeee  
Lonely days over  
Sleepless nights gone  
Now that I've found the one  
To whom I really belong

Surely two lovers  
Were meant to be  
To beeeeeeeeeeeee  
Lonely days over  
Sleepless nights gone  
Now that I've found the one  
To whom I really belong

Put it on, put it on  
Put him put him on, eh eh  
Let me tell ya nicin up the dancehall  
(x4)

Just humble thyself  
And stand firm  
'Til the end  
Cos there comes a time when  
Darkness covers the face of the earth

Surely two lovers  
Were meant to be  
To beeeeeeeeeeeee  
Lonely days over  
Sleepless nights gone  
Now that I've found the one  
To whom I really belong

Put it on, put it on  
Put him put him on, eh eh  
Let me tell ya nicin up the dancehall  
(x4)

Just humble thyself

And stand firm  
'Til the end  
Cos there comes a time when  
Darkness covers the face of the earth  
Just humble thyself  
And stand firm  
'Til the end  
Cos there comes a time when  
Darkness covers the face of the earth

Just humble thyself  
And stand firm  
'Til the end  
Cos there comes a time when  
Darkness covers the face of the earth

Surely two lovers  
Were meant to be  
To beeeeeeeeeeeee  
Lonely days over  
Sleepless nights gone  
Now that I've found the one  
To whom I really belong

Put it on, put it on
