If I was to let ya know

I met a boy
Crazy for him and I lose myself while
He met a girl, ready for him to step up his game now
Do I let him know, I ain't even tryin' to let it show
So do I just go with the flow, don't do anything to rock
the boat

If I was to let you know
Would it ro-o-ock the boat
If I was to take you there
Boy, would it sho-o-ock yo head
If I was to open up let it show
Would it ro-o-ock the boat
Would it kno-o-ock the flow
Would you wanna let her go

I can't jeopardize
The friendship we have but it's so surreal I
Don't want to surprise him but I don't know
If he can keep up being nothing more than friends
But if I'm not and then I'll just pretend
Keep it on the low and to myself
He will never have to lead me in

If I was to let you know
Would it ro-o-ock the boat
And if I was to take you there
Boy, would it sho-o-ock yo head
If I was to open up and show
Would it ro-o-ock the boat
Would it kno-o-ock the flow
Would you wanna let me go

I can't rock the boat, can't rock the show
I can't let him know, it'll knock the flow

I can't rock the boat, can't rock the show
I can't let him know, it'll knock the flow
I can't rock the boat, can't rock the show
I can't let him know, it'll knock the flow
I can't rock the boat, can't rock the show
I can't let him know, it'll knock the flow

If I was to let you know
Would it ro-o-ock the boat
And if I was to take you there
Boy, would it sho-o-ock yo head
If I was to open up and show
Would it ro-o-ock the boat
Would it kno-o-ock the flow
Would you wanna let her go
