As I close my eyes and I fall asleep
Then I wake from my bed
Like a daily routine
What is going on?
What is going on?

And Late at night as I Dream About
My mind wanders into a sea of doubt
I know I belong
I know I Belong... yea

And at night as I lay in my bed hugging my pillow tight
yea
My soul is lost in thought
And my brain is full and
I feel alright... yea
And as I dream about things un explainable
Cause at night (at night),
I'm in my own little world
Whoa whoa

There's no way it could get any better than this
I refuse to wake up yea,
I resist
Keep it going
Keep it going!

And at night as I lay in my bed hugging my pillow tight
yea
My soul is lost in thought
And my brain is full and
I feel alright... yea
And as I dream about things un explainable
Cause at night (at night),
I'm in my own little world
Whoa whoa

Whoa whoa
This is so crazy
I'm not just lazy
I am over whelmed
(Whoa whoa)

I can't believe all the magic
I knew I had to have it
So can you
SO CAN YOU!
Whoa whoaaaaaaaaa

And at night as I lay in my bed hugging my pillow tight
yea
My soul is lost in thought
And my brain is full and
I feel alright... yea
And as I dream about things un explainable
Cause at night (at night),
I wake up again
