You're by yourself alone
The music is only getting louder
Take my hand
We'll dance this night away

Tick tock, The clock is ticking
away, at its leisure
Get up before it's too late
open hands are what i...
Have now, every moment
come on lets step and turn

Dont let me go
Dance, we both know
when you're alone
Dance with me too

You're by yourself alone
The music is only getting louder
Take my hand
We'll dance this night away

Can you, hear the music
Of my, Racing heart beat
i know i'm head over heels
open hands are what i...
have now, every moment
come on lets step and turn

Don't let me go
Dance, we both know
When you're alone
Dance with me too

You're by yourself alone
The music is only getting louder
Take my hand
We'll dance this night away

I'd die, for you
I'd die, for you
I'd die, for you

To dance with me...

You're by yourself alone
The music is only getting louder
Take my hand
We'll dance this night away...
