I missed, for a lot to you  
Dear (Dear)  
I missed you. You were right, you'll knew  
Dear (Dear)

But I was scared, I was unprepared  
Ooh, for the things you said  
If I could undo that I hurt you  
I would do anything for us to make it through  
Draw me a smile and save me tonight  
I am a blank page waiting for you to bring me to life  
Paint me a heart, let me be your art  
I am a blank page waiting for life to start

And let our hearts stop and beat as one together

I'm goin' tell you what was wrong  
Dear (Dear)  
Start Again, Friends and New Sketch  
Dear (Dear)

But I was scared, I was unprepared  
Ooh, for the things you said  
If I could undo that I hurt you  
I would do anything for us to make it through  
Draw me a smile and save me tonight  
I am a blank page waiting for you to bring me to life  
Paint me a heart, let me be your art  
I am a blank page waiting for life to start

And let our hearts stop and beat as one together  
Let out hearts stop and beat as one forever

Draw me a smile and save me tonight  
I am a blank page waiting for you to bring me to life  
Paint me a heart, let me be your art  
I am a blank page waiting for life to start

Let them beat as one together  
Let them beat as one together
