Well I've been
Neglecting the good things (Oh oh woah)
Well I've been disiring
The good things (Oh oh oh)
I'm biting the lighting
The good things (Oh oh woah)
I've been minding what to see
The good things (oh oh oh)

Just let me out of my misery (Oh oh oh)

(Oh oh) Let me
Get out of misery (Oh oh oh)

Clap your hands
Clap your hands
Turn the lights on my nights
This is life
And we only get one chance

Oh

Clap your hands
Clap your hands
Come on dance
Take a chance on romance me
We only get one shot at this

Oh

Clap your hands
Clap your hands
Turn the lights on my nights
This is life
And we only get one chance

Oh

Clap your hands
Clap your hands
Come on dance
Take a chance on romance me

We only get one shot at this

Oh clap your hands

I'm trying to find in the good things (Oh oh woah)

I'm finding this might be a good thing (Oh oh oh)

Just let me out of my misery (Oh oh oh)

(Oh oh) On a night like this

Get out of misery

(Oh oh oh)

Clap your hands

Clap your hands

Turn the lights on my nights

This is life

And we only get one chance

Oh

Clap your hands

Clap your hands

Come on dance

Take a chance on romance me

We only get one shot at this

Oh

Clap your hands

Clap your hands

Turn the lights on my nights

This is life

And we only get one chance

Oh

Clap your hands

Clap your hands

Come on dance

Take a chance on romance me

We only get one shot at this

Oh Clap your hands

Clap your hands (x3)

Clap your hands

Clap your hands

Turn the lights on my nights

This is life

And we only get one chance

Oh

Clap your hands
Clap your hands
Come on dance
Take a chance on romance me
We only get one shot at this

Oh

Clap your hands
Clap your hands
Turn the lights on my nights
This is life
And we only get one chance

Oh

Clap your hands
Clap your hands
Come on dance
Take a chance on romance me
We only get one shot at this
