Shine bright like a diamond  
Shine bright like a diamond  
Find light in the beautiful sea  
I choose to be happy  
You and I, you and I  
Weâ€™re like diamonds in the sky  
Youâ€™re a shooting star I see  
A vision of ecstasy  
When you hold me, Iâ€™m alive  
Weâ€™re like diamonds in the sky  
I knew that weâ€™d become one right away  
Oh, right away  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes  
So shine bright, tonight you and I  
Weâ€™re beautiful like diamonds in the sky  
Eye to eye, so alive  
Weâ€™re beautiful like diamonds in the sky  
Wooh hoooh oooooh  
Weâ€™re beautiful like diamonds in the sky  
Wooh hoooh oooooh  
Weâ€™re beautiful like diamonds in the sky  
Palms rise to the universe  
As we moonshine and molly  
Feel the warmth, weâ€™ll never die  
Weâ€™re like diamonds in the sky  
Youâ€™re a shooting star I see  
A vision of ecstasy  
When you hold me, Iâ€™m alive  
Weâ€™re like diamonds in the sky  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes  
So shine bright, tonight you and I  
Weâ€™re beautiful like diamonds in the sky  
Eye to eye, so alive  
Weâ€™re beautiful like diamonds in the sky  
Wooh hoooh oooooh  
Weâ€™re beautiful like diamonds in the sky  
Wooh hoooh oooooh  
Weâ€™re beautiful like diamonds in the sky  
Shine bright like a diamond  
Shine bright like a diamond

Shine bright like a diamond  
Wooh yeah  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Wooh yeah  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond
