I've stuck around through thick and through thin
You cannot deny I've always been in
But I've watched you stand still as a snowman
And I don't see you change, you're always at meltdown

Yeah, I've been your crutch, your smell, sight and touch
Yeah, I took you home when you've drunk too much
But I can't survive with you by my side
See I'll never get laid while I'm running your life

No, I just don't wanna so I'm walking away
There is nothing that you can do, I will not stay
No, I don't need drama so I'm walking away
Yeah, I am a girl with a lot on her plate

So just cut me loose, learn to tie your shoes
There's somebody here I'd like to introduce
So look in the mirror, look for the glass
'Cause you're not my problem, you are my last

No, I just don't wanna so I'm walking away
There is nothing that you can do, I will not stay
No, I don't need drama so I'm walking away
Yeah, I am a girl with a lot on her plate

No, I just don't wanna so I'm walking away
There is nothing that you can do, I will not stay
No, I don't need drama so I'm walking away
Yeah, I am a girl with a lot on her plate

No, I just don't wanna so I'm walking away
There is nothing that you can do, I will not stay
No, I'm not your momma so I'm walking away
See I'm just a girl that you lost to cocaine
