I'm in here, can anybody see me?
Can anybody help?

I'm in here, a prisoner of history,
Can anybody help?

[CHORUS]

Can't you hear my call?
Are you coming to get me now?
I've been waiting for
You to come rescue me.
I need you to hold
All of the sadness I cannot
Live with inside of me.

I'm in here, I'm trying to tell you something,
Can anybody help?

I'm in here, I'm calling out but you can't hear,
Can anybody help?

Can't you hear my call?
Are you coming to get me now?
I've been waiting for
You to come rescue me.
I need you to hold
All of the sadness I cannot
Live with inside of me.
I'm crying out, I'm breaking down,
I am fearing it all,
Stuck inside these walls,
Tell me there is hope for me
Is anybody out there listening?

Can't you hear my call?
Are you coming to get me now?
I've been waiting for
You to come rescue me.
I need you to hold
All of the sadness I cannot
Live with inside of me.

Can't you hear my call?
Are you coming to get me now?
I've been waiting for
You to come rescue me.
I need you to hold
All of the sadness I cannot
Live with inside of me.

I'm in here, can anybody see me?
Can anybody help?
