Like a new winters coat
I'm wearing your last embrace
Like a cold quenching glass of water
I hold a clear picture of your face

Where are you (quickly)
Where are you (quickly)
Where are you
Soon I'll be cold and thirsty
Soon I'll be cold and thirsty

I'm hearing your last telephone call
Ringing louder and clearer than the rest
I hear your invitation to see it all
Better written I am smitten no protest

Where are you (quickly)
Where are you (quickly)
Where are you
Soon I'll be bored and lonely
Soon I'll be bored and lonely

Like a story well told
You conversation can hold me and sooth me
Like a fine kind of chair you are there
And to hold you comforts and supports me

Where are you (quickly)
Where are you
Soon I'll be restless and weary
Soon I'll be restless and weary

I'm tasting the last glass of your wine
The sweet taste lingers left on lips
I'm tasting your sweet kisses with mine
The sweet taste lingers left on lips

Where are you (quickly)
Where are you (quickly)
Where are you
Soon I'll be sober and unknissed

Soon I'll be sober and unkissed
