## "Stop Trying"

We like you  
This is a game already won  
The time has come  
Stop trying  
We like you  
This is a game already won  
The time has come  
Stop trying

Take a break  
You must be tired from the strain  
Take a break  
I might ask our pain  
Please, slow down  
You are making my head spin  
Please, slow down  
You have all I have to give

We like you  
This is a game already won  
The time has come  
Stop trying  
We like you  
This is a game already won  
The time has come  
Stop trying

You don't know  
You have everything you need  
You won't grow till you get down  
on your knees

Say goodbye and do not that sex your life  
Say goodbye, there's no need to  
apologize

We like you  
This is a game already won  
The time has come  
Stop trying  
We like you  
This is a game already won

The time has come  
Stop trying

We like you  
This is a game already won  
The time has come  
Stop trying  
We like you  
This is a game already won  
The time has come  
Stop trying

We like you  
This is a game already won  
The time has come  
Stop trying  
We like you  
This is a game already won  
The time has come  
Stop crying
